

## Readyclean

CODE NO: 762

### DESCRIPTION

**READYCLEAN** is a multipurpose cleaner for floors, benches, walls and all areas. It combines non corrosive, non-flammable ingredients capable of grease cutting and soil removal.

**READYCLEAN** effectively cleans all types of surfaces, cutting grease and removing the soils. The PINE fragrance leaves surfaces with a fresh, clean fragrance. The formulation allows it to be used on most hard surfaces such as floors (tile, vinyl, lino, timber, ceramic), walls, toilets, baths, stoves, sinks, bench tops and windows. Also capable of removing soot and carbon, lipstick marks and more.

### BENEFITS
