

Machine Glasswash Concentrate

DESCRIPTION & BENEFITS

Machine Glasswash Liquid is a clear blue liquid with a slight fragrance. Machine Glasswash Liquid is a premium quality product that can be used for utensil and glass washing machines and is highly effective in eliminating soils and stains such as beer, wine, spirits and lipstick from glassware. This product is suitable for all water conditions, simple and safe to use.

Machine Glasswash Liquid has an advanced formula that eliminates the possibility of scale formation within the washing machine to ensure an excellent performance. This product is designed for manual glass soaking and automatic glass washing.

- ✓ Works in hard & soft water
- ✓ Leaves glasses sparkling & streak free
- ✓ Economical formula
- ✓ Built-in descaler
