

### Major Clean

CODE NO: 860

#### DESCRIPTION

**Major Clean** is a premium, multipurpose cleaner, disinfectant and degreaser for use on floors, walls, stoves and tiles. It is a reddish-pink liquid with a mild odour. **Major Clean** is formulated using a more significant blend of caustic surfactants and solvents, as well as being a sanitiser on surfaces. It is a super concentrated heavy degreaser which is capable of grease cutting, soil removal and cleaning unsealed and unpainted surfaces. It is most suitable for in-plant, kitchen floors and most areas. This product is not to be used on aluminium surfaces.

#### BENEFITS

- ✓ Super concentrated heavy degreaser
- ✓ Very effective on grease, dirt and grime
- ✓ Economical
- ✓ Sanitiser

#### ENVIRONMENTAL ASPECTS

- ✓ Biodegradable Surfactants
- ✓ Safe for food processing areas & septic tanks when used according to dilution instructions.
