

Floor Stripper Classic

DESCRIPTION & BENEFITS

Floor Stripper is an odourless brown thin liquid. Floor Stripper is a mild solvent based product free from caustic and ammonia. Its powerful ingredients attack old coatings, breaking them up, allowing them to be removed with minimal scrubbing.

Floor stripper has a fast acting formula and low foaming. This product is also odourless and ideal for use in non ventilated and confined areas. Floor Stripper is ideal for use in hospitals and nursing homes.

- ✓ Fast acting formula
- ✓ Odourless Floor stripper
- ✓ Ideal for use in confined spaces
- ✓ Suitable for most types of floors

DIRECTIONS FOR USE

Depending upon the degree of sealer on the floor, Floor Stripper can be diluted as follows:

Moderate Build-up: Add 1:20 parts water

Heavy Build-up: Add 1:5 parts water

Add recommended amount of Floor Stripper to cold water and apply liberally to the floor. Allow to work for 5 minutes, being sure to keep floor wet. In most situations it is advisable to wet scrub the floor using a black pad on an autoscrubber or a low speed machine with a black pad. Pick up the dissolved sealer with an autoscrubber or mop and bucket. Rinse the floor with clean water and allow the floor to dry before applying the sealer.

Code No 400

ENVIRONMENTAL ASPECTS

- ✓ Biodegradable Surfactants
