

Spa Mate

DESCRIPTION & BENEFITS

SPA MATE is a concentrated product made with Quaternary Ammonium Compound and contains no toxic solvents. It is specially formulated to clean, degrease and sanitise in 1 step making it more easy and economical to use.

SPA MATE can easily get rid of body fat, soap scum, common bacteria and other wastes from SPA internals and leaves the area clean and shiny. **SPA MATE** can be used to clean and sanitise dishwashers and washing machines. **SPA MATE** can be used as a no rinse spray and wipe sanitiser for cleaning the rubber seals in dishwashers and fridges, and most surfaces..

- ✓ One Step cleaning system for Jets, Pump, Pipes and all
- ✓ Powerful ANTIBACTERIAL EFFECT
- ✓ Quickly cleans, degreases and sanitises in few minutes
- ✓ Suitable for everyday use even with cold water
- ✓ DEODORISES

DIRECTIONS FOR USE

1. Fill the spa bath with hot or cold water well above the jet line.
2. Add around 50ML of SPA MATE into water (50ML per 200L of water).
3. Turn the pump on and run it for 5 to 10 minutes depending how dirty it is.
4. Turn the pump off and drain the spa.
5. Rinse it with fresh water.
6. Clean and wipe the Spa with SPA MATE using a fresh clean cloth and allow it to dry.

SPA POOL - add 100 ml per 1000 Litres of water.

Spray and Wipe Sanitiser - dilute 1 to 4 parts water in a spray bottle.
