

Washroom Heavy Duty

DESCRIPTION & BENEFITS

Washroom Heavy Duty is a blue slightly viscous liquid with a fresh fragrance. This product is designed to effectively clean, disinfect and deodorise toilet bowls, ceramic urinals and stainless steel sinks. It is specially thickened with a clinging additive to avoid wastage in use and to guarantee maximum effectiveness of cleaning.

Washroom Heavy Duty is formulated from mineral acid for maximum stain, body fats and soil removal and is also ideal to remove rust, scale and uric acid deposits.

- ✓ Heavy duty cleaner and sanitiser
- ✓ Kills germs and odours
- ✓ Safe on most surfaces

DIRECTIONS FOR USE

Apply undiluted to bowls. Allow the liquid to run underneath the rim and down into bowl. Scrub with brush and flush bowl. In case of bad stains allow solution to stand and then brush.

To clean floors and other surfaces: dilute 1 to 20 parts of water. Thoroughly rinse solution off after use.

WARNING: This product is strongly ACIDIC. Avoid contact with skin and eyes. This product should not be used on surfaces that may be reactive to acids such as aluminium, terrazzo, concrete, marble etc..

Code No 337

ENVIROMENTAL ASPECTS
