

Floor Stripper Premium

DESCRIPTION & BENEFITS

Floor Stripper Premium is a clear thin liquid with a slight odour. Free from ammonia. Its powerful ingredients attack old coatings, solubilising and suspending the sealer from the floor, allowing then stripper slurry them to be removed with minimal scrubbing. The use of Tynex brushes on stripping machines helps speed up the process of stripping the floor ready for your sealer.

- ✓ Fast acting formula
- ✓ No strong odours
- ✓ Strips all types of water based floor sealers
- ✓ Solubilises sealer easy to pick up

DIRECTIONS FOR USE

Depending upon the degree of sealer on the floor, Floor Stripper Premium can be diluted as follows:

Moderate Build-up: Add 1:8 parts water

Heavy Build-up: Add 1:4 parts water

Add recommended amount of Floor Stripper to cold water and apply liberally to the floor. Allow to work for 5 to 10 minutes, being sure to keep floor wet. In most situations, it is advisable to wet scrub the floor using a black pad on an autoscrubber or a low speed machine with a black pad. Pick up the dissolved sealer with an autoscrubber or mop and bucket. Rinse the floor with clean water then mop over with a Neutraliser allow the floor to dry before applying the sealer.

Suitable for Terrazzo, Stone, Slate and Vinyl. Not suitable for Timber, Linoleum, Marmoleum and Rubber.

Code No 401
