

## Veggies and Fruit Sanitiser

### DESCRIPTION & BENEFITS

**Veggie & Fruit Sanitiser** is a clear liquid with no added fragrance, which cleans and disinfects in one action. It contains 25g/L of Sodium Hypochlorite that kills most of common bacteria at the dilution prescribed below. It is intended for use as a cleaner & sanitiser for fruit & vegetables. Wash fruits & vegetables with cleaner water. Sanitise by soaking fruits & vegetables for about 10 minutes in a solution containing below prescribed dilution ratio. Rinse fruits & vegetables with potable water and allow it to dry before use. Prevent cross contamination by rinsing the sink effectively between uses.
