

Clean Plus
Hygiene

**Stay clean,
green and
safe!**

An all-in-one antiseptic,
cleanser, freshener,
antimicrobial surface
and skin sanitiser.

ISO CLEAN has been formulated in line with the World Health Organisation (2020).

ABOUT:

ISO CLEAN Surface & Skin Sanitiser is an all-in-one antiseptic, cleanser and freshener. Containing 70% Isopropyl Alcohol, it is an effective antimicrobial surface cleanser and sanitiser. Safe to use on almost anything, it is a quick drying rubbing alcohol solution that is the perfect all-rounder for everyday use.

USE ON:

So versatile, ISO CLEAN can be used as a general cleaner e.g. furniture, tables, counters, windows and carpets. Moreover, it eliminates tough grime and residue, sanitises personal items, removes stickers, refreshes bad odours and can even sanitise your hands! ISO CLEAN will leave all surfaces and skin clean, sanitised and uplifted with a refreshing lemon peel scent.

BENEFITS:

- It is an anti-bacterial, anti-fungal, and anti-viral agent which will sanitise quickly and thoroughly, destroying bacteria, fungi, and micro-organisms
- Rubbing alcohol solution
- All-in-one antiseptic, cleanser and freshener
- Effective antimicrobial surface cleanser
- Kills germs on skin without the need of water.

How to use?

It's simple. Either spray and wipe or spray and air dry.

- Spray ISO CLEAN onto desired surface.

- Wipe off with cloth in one continuous direction.

- Allow to air dry after spraying on surface or rubbing in on skin.

Where to use?

Containing 70% Isopropyl Alcohol, its uses are endless. Here are just some.
